

### Who we are

At the heart of the 4Life® Opportunity are two remarkable visionaries—Founders David and Bianca Lisonbee.

4Life began with the Lisonbees' quest to provide fantastic health for their family, and they found it with revolutionary molecules inside the body. With an extensive background in network marketing, they knew it was the perfect vehicle to take their quest global. And they've done just that through core principles of Science, Service, and Success, and *Together, Building People.* But what are David and Bianca like?

#### David and Bianca Lisonbee are:

**Pioneers.** 4Life was the first company to license the rights to the patented extraction of transfer factor molecules from cow colostrum. We now hold two exclusive patents, a myriad of proprietary formulas... and we're just getting started. When it comes to **Science**, there's no end in sight for these visionary pioneers.

**Experienced leaders.** Between the two of them, they have 40 years of experience in the network marketing industry. And more than that, they love the opportunity network marketing provides for real and lasting **Success** for everyone involved.

Caring individuals. David and Bianca care about the future of their children and grandchildren. They reach out in Service within their own community. And they're concerned with each and every 4Life Distributor. They're invested in giving you the best products, the best tools, and the best opportunities for an optimal life.

## 4Life: A solid choice

The majority of all network marketing companies fail within the first five years. And only a small fraction of those remaining ever make it to 10 years.

4Life sailed past the 10-year marker. We're continually breaking sales and enrollment records, and opening new countries and offices around the world.

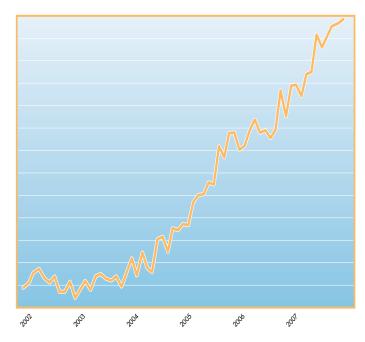

#### What does that say to you?

In a world where most network marketing companies fail almost even before they get started, 4Life stands out for its credibility, commitment to excellence, veteran executive team, and global, long-term vision. When you partner your future with 4Life, you can count on us.

#### WE'RE HERE TO STAY.

(Within five years, 4Life was recognized by Inc. magazine as the 15th fastest-growing, privately-held company. Since then, 4Life has more than doubled in size and has entered 36 new markets.)

## Watch us grow!

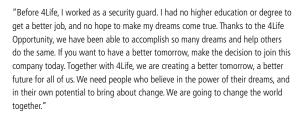

## Have it all, do it all

"I was introduced to network marketing at age 21. I've accomplished more with 4Life® than in all my previous years in the industry. 4Life® offers people the opportunity to build a real business, something for your future and your family's future. The Life Rewards Plan™ rewards everyone for their efforts. Beginners can get in right away with the Power Pool and Rapid Rewards. Part-time distributors can begin earning infinity bonuses immediately. The professional business builder can build a global empire and be paid on it all."

"We never thought that the decision to join 4Life would impact our lives so much. Our lives are free from debt. We've been able to buy new cars and re-model our home. We enjoy a life of freedom. We have TIME—time to travel, time to spend with our children, time to share with our friends and all those who have joined us in this business. With 4Life, you have the best opportunity, the best timing for that opportunity, and the best team behind you to make your dreams a reality."

## Why 4Life®?

SEVEN REASONS

We know we're not the only company out there. But we believe we're the very best. Here's why:

- 1. Credibility. 4Life was ranked the 15th fastest growing, privately held company in the United States by *Inc.* magazine. How's that for credibility?
- 2. Solid past, present, and future. Our 10-year history of success speaks for itself. When most companies are downsizing and laying off, 4Life is breaking sales records and opening new countries and offices all over the world.
- 3. Visionary focus. 4Life is *the* immune system company, and our Research and Development team is constantly looking to the next innovation in immune system science.
- **4. Outstanding recognition.** Whether you build a business part-time or full-time, we're here to cheer you on every step of the way.
- 5. *Top-notch executive team*. Our executive team has over 100 years of experience in the network marketing and nutritional supplement fields.

- 6. Unbeatable compensation plan. The Life Rewards Plan™ rewards the beginner, part-time, and professional business builder—all handsomely.
- 7. Patented and proven products. Studies have proven that when it comes to immune system support, our 4Life Transfer Factor\* products are second to none. We've secured patents protecting our unique formulations and processes, and more patents are on the way. Thanks to years of research, numerous clinical trials, and the sharpest medical minds, 4Life science speaks for itself.

## Your dreams await!

Stop for a moment and visualize your life five years from now. What kind of home do you live in? What kind of car will you drive? Where will you travel with your family? Does your future life feel different than it is today? With 4Life\*, it can be.

We're in the business of dream-catching — dusting off buried wishes and making them real. Do you envision a life of health and prosperity? Is your family gathered around you, happy and content? Can you see yourself financially free?

No matter what your dreams are, if you're willing to invest the time and effort, together we can work to make them happen.

"Six years after I first learned about 4Life, it truly has become my life. I've seen people have a whole new life because of the changes 4Life has brought about in their financial future. 4Life represents a better quality of life and more freedom—freedom to spend more time with my family and travel all over the world. And it gives me an opportunity to help other people reach their goals as well. That's one of the things I love most about 4Life."

Bonnie Taylor Platinum International Diamond California, USA

"It was the promise of financial and time freedom and the opportunity to be my own boss that led me to enter the network marketing industry. I was a dreamer and I figured that network marketing was the best shot for a guy without an education or money."

Ray and Barbara Meurer Platinum International Diamonds Florida. USA

"The Life Rewards Plan™ is unique. I first looked at 4Life® because they offer one of the highest payouts in network marketing. Just like any other opportunity, you have to work for it, but it's worth it. The family time and financial means I now have is invaluable, so I can state unequivocally, that it's worth the effort necessary to build your 4Life Business."

Jeff & Michelle Altgilbers Platinum International Diamonds Guam

"I decided to enter this billion-dollar industry because it is the perfect vehicle to obtain financial freedom without having to worry about the past, or your socioeconomic level. 4Life offers me free time to enjoy life. I live in the home that I want, not in one that I am forced to live in due to the limitations of my income from other lines of work. I have taken more than 40 trips to develop my international business. Most of all, I have time to enjoy with my child. I can do what I want, when I want, and the way that I want."

Luis González Gold International Diamond Puerto Rico "The Life Rewards Plan is among the most generous in the industry and provides me with the freedom to earn as much income as I desire. It allows me to spend as much time as I want with my family and allows us to travel whenever we want. And I'm not alone. Thousands of people are using it to build better lives for themselves all over the world. There is simply no better way to fulfill your dreams than to use the power of the Life Rewards Plan!"

Rob Robertson, III Gold International Diamond Tennessee, USA

"The Life Rewards Plan has it all! No matter what your objective, 4Life's compensation plan can meet your goals. Whether you start part time, work full time, or desire financial freedom, this plan has you covered. It pays out one of the highest percentages in the industry, yet its balanced configuration rewards people on all levels. It pays early, often, and deep. With almost nine years in this industry, I have never seen anything that comes even close to the potential the Life Rewards Plan offers. With such a dynamic and generous plan, every networker can succeed!"

Kevin and Courtney Moore International Diamonds Utah, USA

Life Rewards Plan™

4Life's Life Rewards Plan pays out great to everyone, at every level. Unlike many other network marketing companies who either pay out big at first, or withhold high payouts until much later, 4Life pays out generously all the way along:

<sup>\*\*</sup>Distributor carnings vary as a result of numerous factors; therefore, earnings statements made in ALife's printed materials and on its website are not intended to guarantee a particular outcome, but rather to show what is possible based on a broad range of 4Life Distributors' historical data. *Distributor:* Independent individuals who market and sell products for 4Life®.

**Downline:** Preferred customers and distributors below a particular distributor.

*Enroller:* A distributor who personally recruits another distributor and places the new distributor in his or her downline. The enroller of a new distributor may also be the new distributor's Sponsor.

*Frontline:* A distributor that has been enrolled at the first level of the enrolling distributor's line.

*Generation:* Distributors of varying levels grouped for the purpose of continued payout within the Life Rewards Plan. 4Life generations begin at the fourth level of the plan. Generation breaks are dynamic and occur as downline distributors continue to advance and match the positions of upline members.

*GLP (Group Life Points):* Life Points (LP) accumulated in the first three levels of a downline with no compression; a qualification for Diamonds and above.

Infinity Pass-Through: Qualified Presidential Diamonds and above are guaranteed 12% on their fourth generation. Twelve percent commission will continue below the fourth generation (levels five through 10) until it is interrupted by a Diamond or higher. When the pass-through is interrupted by a Diamond, the difference between what the Diamond and Presidential Diamond are entitled to (6%) passes through to the Presidential Diamond.

*Leg:* A part of your downline that starts with a distributor sponsored by you and continues below that distributor.

*Level:* The layers of preferred customers and distributors in a particular distributor's downline. This term refers to the relationship of a distributor relative to a particular upline distributor, determined by the number of distributors between them who are related by sponsorship. For example, if A sponsors B, who sponsors C, who sponsors D, who sponsors E, then E is on A's fourth level.

Life Points (LP): Every commissionable 4Life Product is assigned a Life Point value. Distributor commissions are based on the total point value of products sold by each distributor and his or her organization. Life Points are converted to commissions based upon a specific country's life point exchange rate (which is set periodically by 4Life), multiplied by the number of Life Points earned.

*Organizational volume:* The Life Points beginning with a distributor and continuing to the bottom of his/her downline.

*Payout:* The income or payment paid to a distributor; may be commission or a bonus payment.

Personal Life Points: The Life Points generated under a distributor's personal ID number. There is no requirement for a distributor to personally purchase any product under 4Life's Life Rewards Plan™ because Personal Life Points include the orders placed under the distributor's personal account by or on behalf of the distributor's retail customers, as well as purchases the distributor makes for his or her personal and family use.

Sponsor: A distributor to whom a new recruit is placed "frontline."
